

WHEN SHE LOVED ME

Sarah McLachlan

E **C#m**
When somebody loved me

A **B**
everything was beautiful

G#m **C#m**
every hour we spent together

A **B**
lives within my heart

E **C#m**
And when she was sad

A **B**
I was there to dry her tears

G#m **C#m** **A**
and when she was happy so was I

B/A **B** **E**
when she loved me

A **B**
Through the summer and the fall

G#m **C#m**
we had each other that was all

G#m **C#m**
just she and I together

A **B**
like it was meant to be

E **C#m**
and when she was lonely

A **B**
I was there to comfort her

G#m **C#m** **B/A** **B** **E**
and I knew that she loved me

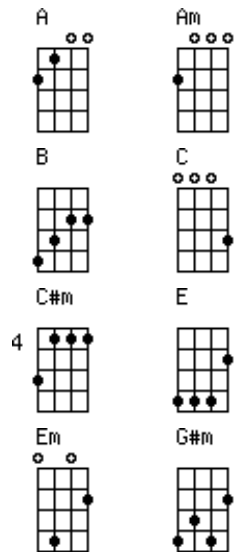

C#m **B**
So the years went by

G#m **C#m**
I stayed the same

G#m **C#m**
but she began to drift away

B **C#m**
I was left alone

Am **Em**
still I waited for the day

when she'd say

Am Em C B

I will always love you

Lonely and forgotten

never thought she'd look my way

and she smiled at me

and held me

just like she used to do

like she loved me

when she loved me

When somebody loved me

everything was beautiful

every hour we spent together

lives within my heart

When she loved me...
